HPH Sector Engagement Opportunities

This bulletin product will be shared twice weekly on Mondays and Thursdays to keep stakeholders and partners apprised of information sharing opportunities and resource webinars relevant to the Healthcare and Public Health community.

HHS/ASPR COVID-19 Clinical Rounds

These interactive virtual learning sessions aim to create a peer-to-peer learning network where clinicians from the U.S. and abroad who have experience treating patients with COVID-19 share their challenges and successes; a generous amount of time for participant Q & A is also provided. Register for Thursday's session below.

Emergency Department: Patient Care and Clinical Operations
Thursday, July 2, at 12:00 - 1:00 pm ET
[Click here for registration]
Join presenters to discuss emergency management resources and information that can be utilized to improve effective hospital and emergency department function during the COVID-19 pandemic.

If you miss a session find the recordings online on the University of New Mexico’s Project ECHO website. [Click to join the HHS/ASPR COVID-19 Clinical Rounds email list].

HHS Webinars
Trauma Informed Care Through the Lens of COVID-19
Tuesday, June 30th and Wednesday, July 1, 12:00 p.m. EDT, Register [here].
This two-part webinar series will address the traumatic impact of COVID-19 on communities. The first webinar will look at some of the basics of trauma and some of the
effects of COVID-19 on trauma. It will also look at ways to strengthen trauma-informed settings while avoiding re-traumatization in service delivery.

Culture is Prevention: Virtual Learning Sessions
Series begins Wednesday, July 8, 2:00 p.m. EDT, Register here.
Despite recent progress, health disparities continue to be a challenge among Latino/Hispanic, Native Americans, and Alaska Natives, compared with the US population as a whole. This series of virtual learning sessions will address culturally and linguistically appropriate prevention services for these unique populations.

FDA Webinars and Calls
Immediately in Effect Guidance on Coronavirus (COVID-19) Diagnostic Tests
Wednesday, July 1, at 12:15 pm ET Click here for connection information
The FDA will host a virtual Town Hall for clinical laboratories and commercial manufacturers that are developing or have developed diagnostic tests for SARS-CoV-2. The purpose of this Town Hall is to help answer technical questions about the development and validation of tests for SARS-CoV-2.

Upcoming Sessions:
Tuesday, July 7, 12:00 pm ET- Topic Focus: Respirators for Health Care Personnel Use during COVID-19 Pandemic

ESF-14 Cross-Sector Business and Infrastructure Series on COVID-19
Tuesday, June 30, at 3:00 - 4:15 pm ET Dial-in: 1-800-593-7177, Pin: 7963614
Join this teleconference to discuss critical infrastructure concerns and COVID-19 information beyond the medical and public health perspective. The teleconference will conclude with an open forum for questions and information sharing.

U.S. Department of Transportation Webinar
Webinar: 911 DataPath provides framework for future needs
Tuesday, July 7, at 1:00 pm ET Click here for connection information
Join to learn more about 911 DataPath, an initiative to produce a framework enabling voluntary adoption of a system to reliably share standardized, actionable data across the 911 community. The webinar will discuss how access to unified data sharing will help to improve operations and support needs, how the 911 community can learn more about and contribute to the effort, and the initial types of data under consideration.
